The Delia Group and Toth Team Join Forces

Delia Group and Toth Team alliance “Powered by Infinity”

The Delia Group of Rochester, MI, and the Toth Team of Ann Arbor, MI, have formed a new real estate alliance, combining the strength of five brokerages under a unified operating system powered by the Infinity Group. The combined organization will provide an unmatched breadth of services for home buyers and home sellers in the counties of Oakland, Macomb, Wayne, Lapeer, Genesee, Saint Clair, Washtenaw, Livingston, Kent, Ottawa, Muskegon and Newaygo.

While each company will retain its own brand identity, the Infinity Group will provide sales and marketing support, transaction management, technology support plus an array of client services and agent resources. In addition to The Delia Group and the Toth Team, brands powered by Infinity include Paint Creek Title, Keller Williams Paint Creek and Keller Williams Somerset. An insurance company and a property management company are in future expansion plans.

The new alliance builds on the market leadership demonstrated by Joe Delia of the Delia Group and Kathy Toth of the Toth Team. Each is ranked among the top one percent of REALTORS® nationally.

Joe Delia, CEO of the Delia Group and the Infinity Group, began his real estate career in 2013. By 2017, he was the Operating Principal of Keller Williams Paint Creek and Keller Williams Somerset, with \$280 million in sales. His ability to capitalize on new technologies and leverage efficiencies enabled the creation of the Infinity Group, which today serves as the parent company for multiple real estate businesses. The Toth Team is the latest company to become powered by Infinity.

The Toth Team, founded by Kathy Toth, is a well-known name in greater Ann Arbor real estate, having been featured on HGTV’s “House Hunters” and endorsed by Martin Bandyke on radio 107.1. Toth has been featured in the Small Business Review and numerous other publications. With over 30 years of professional real estate experience, Toth’s skills as a real estate coach and trainer will serve a vital role in the Infinity Group.

“Kathy Toth does a phenomenal job with coaching and marketing, and her team’s performance is top-notch,” says Delia. “We’re excited to welcome her to the Infinity Group family of companies.”

For Kathy Toth, joining the Infinity Group was a confident decision. “Joe Delia knows how to make things happen,” says Toth. “He has a vision for the future, and the infrastructure to achieve that vision. We share a deep commitment to our clients and to the success of our teams. This is a win-win for everyone.”

With the Delia Group and the Toth Team powered by Infinity, both companies have charted a course for growth while ensuring that each client receives the best service in the industry. For more information, contact Stephanie Atias, Director of Operations, 248-515-4272.
